

Work a-way Joe

A-way, a-way, a-way we go
Harvesting the corn today
A-way, work a-way
We'll work a-way Joe

To me way (hey)
Work a-way
We'll work a-way together (x2)
Hey work a-way | ← cut short on last time
We'll work a-way Joe.

Men
Women
A-way, a-way, a-way we work
Happily and smiling
A-way, work a-way
We'll work a-way Joe. ← same note as away on last.

To me way

Men
Women
A-way, slave a-way, a-way
Until the bones are creaking
A-way, work a-way
We'll work a-way Joe.

To me way

Men
Women
Harvesting will break our backs
And leave our children starving
A-way, work a-way
We'll work a-way Joe.
