Dear Helen

OTTER LUTRA LUTRA ON THE STOUR

On behalf of WCT, I write to you to thank you for providing the opportunity to work in partnership with you on the above project.

As you know, one of the main objectives of WCT is personnel development of members by working with professional artists. I think that the experience working with you has well and truly met this. The majority of us would never have expected or anticipated the confidence which you have given us in using our voices. I am sure we will make good use of this in future projects.

We mentioned that we would be having a workshop on 29 March which unfortunately clashes with your first Christchurch rehearsal, to consider whether we can dramatise any elements of this project for a performance at the Wimborne Folk Festival in June. Following this session, I will be in touch to let you know the outcome and discuss any copyright related issues.

I am aware that a number of us would be interested in the Christchurch project, so do keep us informed about rehearsal schedules.

Once again, thank you for such a wonderful experience.

Best wishes

Tuppy Hill
Secretary
